REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Cane Bay High School (CBHS) was established in 2008 and has a student population of over 1400 students grades 9 – 12. The dedication of teachers and staff, commitment and support of the community, and academic and athletic achievements of the students have driven Cane Bay High School to unparalleled status in the district as well as the state. Recognitions, awards and accomplishments in the arts include (but are not limited to) the following: All County, All Region, and All State Orchestra, Chorus, and Band; the first Superior Rating earned in a Band competition, Superior Ratings for Orchestra and Chorus in Concert Festival, Coastal Carolina Fair Young Art Contest Winners. Students also excelled in state DECA and FBLA competitions. In athletics, the football team made it to the state play-offs; the baseball team won the region championship, and we have a track and field state champion!

Additionally, we have begun several new clubs and activities on the CBHS campus. Student participation is at an all time high, and we look to add more opportunities for students to get involved.

Our continued vision is to challenge and empower students to be successful in a competitive world. The curriculum at CBHS includes Advanced Placement, Honors, College Preparatory, and Applied Technology courses designed to challenge and augment student proficiency in all areas. During the 2011-2012 school year, the curriculum will include English IV AP, Calculus AP, Biology AP, US History AP, Human Geography AP, Teacher Cadet, a dual credit course in English through Trident Technical College, a wide array of elective courses, and more. In fact, we are expanding our career and technical offerings to include AeroSpace Engineering. Through a varied and challenging curriculum, students will be prepared for the next steps beyond high school.

Through "High Schools That Work", a school improvement model, CBHS continues to embrace research-based best practice strategies and ideas. Employment of this model allows for common assessments and benchmark assessments in all courses as well as collaboration and teamwork among teachers. Teachers research practices, such as an inclusion model and redo procedures to implement as school-wide policies.

CBHS has triumphed, as true champions, in every avenue of school life; this is evident through the numerous accomplishments and achievements of the school and community. Cane Bay High School is truly a community school, and we look forward to more challenges and successes together.
